- Patterned Paper/cardstock for centre: 4" x 4" x 4"
*measurements for patterned paper is approximate, you may need to trim to fit the card base

Instructions:

1. Join the marks and create score lines as in diagram.

2. Fold the inner most score lines towards the centre of the card base.
3. Fold the outer most score lines away from the centre of the card base.
4. Adhere the smaller triangular pieces of patterned paper to the points on the inside of the card base.
5. Adhere the straighter pieces of patterned paper to the "middle" (marked with *) of the inside and outside of the card base.
6. Adhere the large triangular piece of cardstock/patterned paper to the centre of the inside of the card base.
7. Add additional images and embellishments as desired.
8. To close the card, fold in as done initially (steps 2 & 3) with the top most layer tucked under the bottom most layer.
